A Minimal Paper (paper-latex example)

Abstract

This sample shows the paper-latex adapter compiling a Markdown draft to a LaTeX article and PDF, including a table and a Unicode symbol (rel_err = 5%).

Results

config	pred	meas	rel_err
A	100	102	1.96%
B	200	199	0.50%

The model attains 2% error across configs.
